Car cover and exclusions

We'll provide the following cover for any loss or damage to your car and/or its accessories (even in your garage) due to the causes below, up to the limit of cover shown in your policy limits table.

- ✓ **Damage** - if your car and/or its accessories are damaged by accident or vandalism (even in your garage), we'll either:
 - pay for it to be repaired; or
 - replace what's damaged; or
 - pay the market value of your car if it's a total loss (and when we've agreed this with you, your car will become our property).

- ✓ **Used wrong fuel** - we'll pay to drain and flush it and fix any engine damage. We'll agree with you how best to arrange repair - if you've already made arrangements we'll only consider payment if you provide us with receipts for the work.
- ✓ **Hit by an uninsured driver** - just let us know the driver/rider details, registration number, make, model and colour of the other vehicle involved. You won't lose your NCD or pay any excess if you're hit by an uninsured driver/rider when the accident isn't your fault - however, if we can't confirm immediately the uninsured driver was at fault, you might have to pay your excess but this will be paid back to you once this has been confirmed.
- ✓ **Vandalism** - first of all report it to the police as you'll need to give us the crime reference number. You'll still need to pay your excess but you won't lose your NCD.
- ✓ **Fire and theft**- if your car and/or its accessories (even in your garage) are lost or damaged by fire, lightning, explosion, theft or attempted theft, we'll either:
 - pay for it to be repaired; or
 - replace what's damaged; or
 - pay the market value of your car if it's a total loss (and when we've agreed this with you, your car will become our property)

The following are not covered under damage, fire and theft

- ✗ Loss or damage to your car by theft or attempted theft if:
 - your car has been left unlocked or with a window or roof open
 - the engine has been left running when unattended
 - your car doesn't have an active and working tracking device and your personal details confirms this is required | the ignition device is left in, on or attached to your car or left in the immediate proximity of the car or in range of
 - where the ignition device is effective.
- ✗ Damage to the ignition device caused by wear and tear.
- ✗ Wear and tear, your car losing value, or for any repairs that have made the condition of the car better than it was before the loss or damage happened.
- ✗ Mechanical, electrical, electronic or computer failures (including failure caused by hacks, viruses or malware), breakdowns or breakages.
- ✗ Damage to tyres caused by braking, punctures, cuts or bursts.
- ✗ Any part or accessory at a cost higher than listed in the manufacturer's latest list price in the UK. If such a list price is not available the most we'll pay is the manufacturers latest list price in the UK for an equivalent part of accessory.

Car cover and exclusions continued

- ✗ Additional costs if a part or accessory isn't available. This includes the cost of importing any part or accessory into the UK.

- ✗ Loss or damage to your car that happened before your policy start date.
- ✗ The excess shown on your personal details.

 - solicitor's fees for representation at a coroner's inquest, fatal accident inquiry or court of summary jurisdiction
 - defence of any legal proceedings for manslaughter or causing death by dangerous or reckless driving

Car cover and exclusions continued

When deciding what's reasonable we'll look at the level of expertise needed, the nature of the case, legal representative costs and whether legal representation for defence of a prosecution is likely to affect the outcome.

- ✓ **Emergency medical treatment** - following an accident in your car, we'll pay for emergency medical treatment as required under the Road Traffic Act. This won't affect your NCD.
