Please check your contract and let us know if you think anything is wrong or doesn't seem right. If you're not sure whether you need to tell us about something, please ask.

Territorial limits and European cover

Territorial limits

Your insurance applies when you're in Great Britain, Northern Ireland, the Isle of Man and the Channel Islands – including when your car is being transported between them.

European cover

While you're travelling in EU countries and any other country that follows EU directives, we'll give you the same level of cover you have in the territorial limits – as long as your car is not abroad for more than 180 days during your period of cover (excluding the Republic of Ireland where this limit doesn't apply) and your car is registered and normally kept in the UK, the Isle of Man or the Channel Islands.

Note: This cover is automatically provided when travelling to any of the countries listed on your certificate of motor insurance. Please ensure you take your certificate and green card with you as proof of insurance.

Use in other countries

If you'll use your car in countries not listed on your certificate of motor insurance, if we agree and you pay the additional charge for the green card, we'll give you the same level of cover you have in the territorial limits, for the time agreed - including when your car is being transported between them.

If your car is lost or damaged in any foreign country that we've agreed to give you cover for, you may be charged customs duty. If we cover the loss of or damage to your car we'll also refund you the customs duty.

Section 1 Damage to your car

What's covered?

If your car and/or its accessories are damaged by accident or vandalism (even in your garage) we'll either:

- pay for it to be repaired; or
- replace what's damaged; or
- pay no more than the agreed value of your car if it's a total loss (and we've agreed this with you, your car will become our property).

I've used the wrong fuel

If you accidentally fill your car with the wrong fuel, we'll pay to drain and flush it and fix any engine damage. We'll agree with you how best to arrange repair - if you've already made arrangements we'll only consider payment if you provide us with receipts for the work.

I've been hit by an uninsured driver/rider

Just let us know the driver/rider details, registration number, make, model and colour of the other vehicle involved. You won't pay any excess if you're hit by an uninsured driver/rider when the accident isn't your fault – however, if we can't confirm immediately the uninsured driver was at fault, you might have to pay your excess but this will be paid back to you once this has been confirmed.

Section 2 Fire and theft

What's covered?

If your car and/or its accessories (even in your garage) are lost or damaged by fire, lightning, explosion, theft or attempted theft, we'll either:

- pay for it to be repaired; or
- replace what's lost or damaged; or
- pay no more than the agreed value of your car if it's a total loss (and we've agreed this with you, your car will become our property).

What isn't covered under sections 1 and 2

We won't pay for:

 - your car doesn't have an active and working tracking device and your schedule confirms this is required;
 - your car wasn't in a locked private garage overnight and your schedule confirms this is required;

- wear and tear, your car losing value, or for any repairs that have made the condition of the car better than it was before the loss or damage happened;
- mechanical, electrical, electronic or computer failures (including failure caused by hacks, viruses or malware), breakdowns or breakages;
- damage to tyres caused by braking, punctures, cuts or bursts;
- any part or accessory at a cost higher than listed in the manufacturer's latest list price in the UK. If such a list price is not available the most we'll pay is the manufacturer's latest list price in the UK for an equivalent part or accessory;
- additional costs if a part or accessory isn't available. This includes the cost of importing any part or accessory into the UK;
- loss or damage to your car caused by:
 - deception, fraud or trickery, such as when you're selling your car;
 - it being confiscated or destroyed by or under official order of any government, public or local authority;

- loss or damage by theft or attempted theft, unless at the time of your claim, your car was locked in a private garage or was being exhibited at a rally or organised event.

How your claim's settled under sections 1 and 2

Ownership

If your car belongs to someone else, or is under a hire purchase or leasing agreement, we'll pay the legal owner.

Repairs

Repairs will be arranged with you if the loss or damage is covered and the costs are less than the agreed value. Our repairers may use parts or accessories that haven't been made by your car's manufacturer but will still be a similar type and quality.

Total loss payment

The maximum amount we'll pay will be the agreed value shown on your schedule. The lost or damaged car will then become our property, unless other arrangements are agreed with you.

Continuing your journey

If your car can't be driven after a claim under sections 1 or 2 and you're more than 25 miles from where you started, we'll repay you up to £500 for any accommodation costs or alternative transport you arrange to carry on your journey. Please keep your receipts as we'll need to see these.

How your claim's settled under sections 1 and 2 - continued

Replacing locks and keys

We'll pay for all damaged locks to be replaced. If your ignition devices (but excluding communication devices, such as smartphones/watches or tablets) are lost or stolen, we'll replace all the locks and ignition devices as long as they weren't left in the immediate proximity of the car, or in the range of where the ignition device is effective, in the car, attached or on the car while it was unattended, and care has been taken to prevent their loss.

Child car seats

We'll replace any child seat with a new one of the same quality, even if it looks un-damaged after a theft, accident or fire.

Excesses that apply

Your schedule will show what excess you need to pay if you claim.

2. Giving us correct and up to date information

Please answer all the questions truthfully and to the best of your knowledge, (for everyone covered under your policy) when you buy or amend your policy. Your schedule shows the answers you've given - if anything is wrong, you need to correct it as soon as possible. At the renewal, you must also let us know if any of the information has changed - this includes any claims or motoring convictions for all drivers of your car.

If we agree to your change, it may result in an additional or return premium (an administration charge may apply – these charges are on your schedule).

If you don't tell us about the changes, we may reject the claim or reduce the payments we make.

If the change means we can't insure you any longer, we'll give you notice of cancellation (please see section 9.9 general conditions – our rights to cancel your insurance).

Documents and information we might need from you

To help us validate your details, we may ask you to send us documents, information or allow us to access databases. This could include your car registration document, proof of your address and a copy of your utility bill.

If you don't send us these documents/information or give us permission to access a database, we may have to cancel your policy.

We won't make any refund or pay for any claim where we are legally prevented from doing so, for example by a court order or sanction.

5. Other insurances

If any loss, damage or liability is covered by this insurance and another insurance policy, we'll only pay our share. This condition doesn't apply to section 5, personal accident benefits.

6. Compulsory insurance laws

If we have to make a payment under the law of any country, that we wouldn't normally have to make, you must repay us that amount.

- we find you or anyone covered under this policy is involved in, or associated with fraud and/or financial crime;

- your circumstances have changed and we can't insure you;
- you behave inappropriately for us to continue your insurance, e.g. if you harass or show abusive, threatening, racist, sexist or any other anti-social or discriminatory behaviour towards our staff.

We'll send you a letter or email letting you know the cancellation date and the reason why we're cancelling your insurance.

If you've just taken out the policy or renewed and haven't paid any premiums, we'll cancel your insurance back to the start/renewal date. If you've paid premiums, we'll refund any money you've paid less a charge

for the time you've been on cover and apply a cancellation fee.

You may not get a refund of your premiums if you've made a claim or we identify misrepresentation, fraud or financial crime. If you pay monthly, you may still have to pay us the full balance of your annual premium.

Your rights to cancel your insurance

You can cancel any time before your start date and will not be charged.

At the start of your insurance, you have 14 days to check you're happy with the policy you've bought. If you're not, just let us know before the 14 days are up. If you do this within 14 days of when you receive your documents, we'll refund any money you've paid less a charge for the time you've been on cover – a refund will still be paid if you've made a claim.

You can cancel your insurance cover at any other time. We'll refund any money you've paid less a charge for the time you've been on cover and apply a cancellation fee if this is after the first 14 days. If you've made a claim then no refund will be paid. If you pay monthly, you must still pay us the full balance of your annual premium.

All the charges can be found on your schedule.

Cancellation at renewal

You'll receive your renewal quotation around 3 weeks before your renewal date. The quotation will show your annual premium and any changes that may apply. If you haven't chosen the automatic renewal option, you'll need to contact us before your renewal date to continue your insurance. If you've asked us to automatically renew your policy, we'll use the payment details you've previously given us and renew before the expiry date. If your card details have updated, your card provider may let us know.

If you want to cancel your insurance or change the way you pay, you must tell us before the renewal date. If you renew, but then change your mind, if you tell us before the renewal date, we'll refund what you've paid. If you cancel after the renewal date, we'll refund any money you've paid less a charge for the time you've been on cover and apply a cancellation fee if this is after 14 days. Any refund sent to you will be within 7 days of you asking to cancel.

Renewal of your policy

We reserve the right to not invite the renewal of your policy – this could be because you no longer meet our eligibility rules.

10. Insurance premiums

All premiums include insurance premium tax where applicable. You may also have to pay other taxes or costs, for example if the premium is reimbursed by an employer it may be classed as a taxable benefit in kind. If so you'll need to pay this tax or cost yourself.

11. Premium payment by instalments

- If we agree for you to pay your premium by monthly direct debit or a similar agreement, you must pay the deposit we ask for and keep your monthly payments up to date;
- If you make a claim, we may take any money that's due to us before paying the claim.

12. Administration charges

Your schedule shows when we'll apply our administration charges. It will be added to any premium or taken from any refund that may be due.

13. The law that applies to your insurance

The law of England and Wales applies to your contract with us. If you live in Guernsey or Jersey, the law of these islands will apply.
