Powered by 

Welcome to Flow

Thanks for choosing Flow, your monthly car insurance subscription.

In this booklet, you'll find everything you need to know about the cover you have with your subscription – including what is covered and what isn't - so please keep it safe with your schedule and certificate of insurance.

Flow is a monthly insurance subscription. By choosing this product you agree to pay for your insurance by recurring payment from your credit or debit card. Your insurance subscription will automatically continue each month unless you tell us otherwise. Flow will allow you to manage your insurance through your online account. We won't charge you any administration fees if you decide to change your details or cover and you are free to cancel your insurance subscription at any time without a cancellation fee.

This product meets the demands and needs of someone looking to insure their car. The level of cover and any optional extras you've chosen will be shown on your schedule. We haven't given you any advice or recommendations as to whether this product meets your specific insurance requirements.

Just so you know - our staff are paid a salary and may receive an annual bonus, but these are not directly influenced by your decision to purchase this insurance subscription.

All communications will be in English. You can get this and other documents from us in Braille, large print or audiotape by logging into your account.

Duplicate cover

This product may not be suitable if you already have the same cover elsewhere e.g. with another insurer or broker, car manufacturer or other providers of car insurance. You'll need to consider whether you may be paying for duplicate cover and you should review your insurance requirements on a regular basis.

Territorial limits and European cover

Territorial limits

Your insurance applies when you're in and between areas of Great Britain.

European cover

While you're travelling in and between EU countries and any other country that follows the EU directives, we'll give you the minimum compulsory cover required by law for up to 30 days per subscription month – as long as your car is normally kept in Great Britain and for no more than 180 days in any calendar year. The compulsory cover is the minimum that applies in the country you're visiting and will not cover the loss or damage to your car.

Note: The minimum cover is automatically provided, so there is no need to contact us before travelling to any of the countries listed on your certificate of motor insurance. Please make sure you take your certificate with you as proof of insurance.

Section 1 Damage to your car

What's covered?

If your car and/or its accessories are damaged by accident or vandalism (even in your garage) we'll either:

- pay for it to be repaired; or
- replace what's damaged; or
- pay the market value of your car if it's a total loss (when we've agreed with you, your car will become our property).

I've used the wrong fuel

If you accidentally fill your car with the wrong fuel, we'll pay to drain and flush it and fix any engine damage. We'll agree with you how best to arrange repair - if you've already made arrangements we'll only consider payment if you provide us with receipts for the work.

I've been hit by an uninsured driver/rider

Just let us know the driver/rider details, registration number, make, model and colour of the other vehicle involved. You won't pay any excess if you're hit by an uninsured driver/rider when the accident isn't your fault – however, if we can't confirm immediately the uninsured driver was at fault, you might have to pay your excess but this will be paid back to you once this has been confirmed.

Section 2 Fire and theft

What's covered?

If your car and/or its accessories (even in your garage) are lost or damaged by fire, lightning, explosion, theft or attempted theft, we'll either:

- pay for it to be repaired; or
- replace what's lost or damaged; or
- pay the market value of your car if it's a total loss (when we've agreed with you, your car will become our property).

What isn't covered under sections 1 and 2

We won't pay for:

- loss or damage to your car by theft or attempted theft if:
 - your car has been left unlocked or with a window or roof open;
 - the engine has been left running when unattended;
 - your car doesn't have an active and working tracking device and your schedule confirms this is required;
 - the ignition device is left in, on or attached to your car or left in range of where the ignition device is effective.
- damage to the ignition device caused by wear and tear;
- wear and tear, your car losing value, or for any repairs that have made the condition of the car better than it was before the loss or damage happened;
- mechanical, electrical, electronic or computer failures (including failure caused by hacks, viruses or malware), breakdowns or breakages;
- damage to tyres caused by braking, punctures, cuts or bursts;
- any part or accessory at a cost higher than listed in the manufacturer's latest list price in the United Kingdom (UK). If such a list price is not available the most we'll pay is the manufacturer's latest list price in the UK for an equivalent part or accessory;

- the excess shown on your schedule.

How your claim's settled under sections 1 and 2

Ownership

If your car belongs to someone else, or is under a hire purchase or leasing agreement, we'll pay the legal owner.

Repairs

Repairs will be arranged with you if the loss or damage is covered. Our repairers may use parts or accessories that haven't been made by your car's manufacturer but will still be a similar type and quality.

New car replacement

If you or your partner bought your car from new, have had it for less than a year and you or your partner are the first registered keeper and either:

- the estimated cost of repairing it is more than 50% of the manufacturer's list price (including taxes and accessories) when the damage or loss happened; or
- it's stolen and not recovered

We'll replace your car with a new one of the same make, model and specification. If there isn't one available in the UK, we'll pay you the price you paid for your car or the manufacturer's current list price (including taxes) whichever is less. We'll then own your damaged car.

In-car equipment

There's unlimited replacement cover if the equipment was fitted by the car manufacturer when your car was first registered.

If it wasn't then we'll pay for permanently fitted or portable equipment up to £1000. Portable equipment must have been kept out of sight in the glove box or locked boot at the time of a theft claim.

Replacing locks and keys

We'll pay for all damaged locks to be replaced. If your ignition devices are lost or stolen, we'll replace all the locks and ignition devices as long as they weren't left in the immediate proximity of the car, or in the range of where the ignition device is effective, in the car, attached or on the car while it was unattended, and care has been taken to prevent their loss.

Child car seats

We'll replace any child seat with a new one of the same quality, even if it looks un-damaged after a theft, accident or fire.

Continuing your journey

If your car can't be driven after a claim under sections **1** or **2** and you're more than 25 miles from where you started, we'll repay you up to £500 for alternative transport or any accommodation costs you arrange to carry on your journey. Please keep your receipts as we'll need to see these.

Excesses that apply

Your schedule will show what excess you need to pay if you claim and also the additional excess if you choose a non-recommended repairer.

Section 3 Liability to other people

What's covered and what isn't

Ownership

Any accident involving your car (or other vehicles your certificate shows you can drive), we'll pay the amount you're legally responsible for:

- following death of or injury to other people; and
- upto £20,000,000 for damage to their property.

Other people – we'll insure:

- people you allow to drive or use your car (your schedule and certificate of motor insurance will show you who is allowed to drive or use your car)
- passengers (includes getting in and out of your car)
- the employer or business partner of the person driving or using your car for their business (your schedule and certificate of motor insurance will show you who is allowed to drive or use your car)
- the legal representative of someone that's died - if the deceased person would've been entitled to protection under this section

Legal costs

If you claim under this insurance subscription cover, we'll pay your reasonable legal costs and expenses for:

- solicitors' fees for representation at a coroner's inquest, fatal accident inquiry or court of summary jurisdiction; and
- defence of any legal proceedings for manslaughter or causing death by dangerous or reckless driving

When deciding what's reasonable we'll look at the level of expertise needed, the nature of the case, legal representative costs and whether legal representation for defence of a prosecution is likely to affect the outcome.

Emergency medical treatment

Following an accident in your car, we'll pay for emergency medical treatment as required under the Road Traffic Act.

We won't pay for:

- any deliberate act (by you or any person driving your car) that directly or indirectly causes injury, loss, damage or death;
- injury or death to an employee who is employed by anyone insured under this cover, unless they're a passenger in another vehicle that has insurance under this section;
- legal responsibility which is covered by any other insurance;
- loss of or damage to any car which is covered by this section;
- loss of or damage to any trailer, caravan or vehicle (or their contents) while being towed by or attached to any car already covered by this section;
- the loss of or damage to any property which belongs to or is in the care of any person claiming under this section;
- more than £20,000,000 for any claim or series of claims from one event for loss of or damage to property (including all costs and expenses up to £5,000,000.)

Section 4 Use by the motor trade, hotels and car parks

We won't apply an excess or any driving restrictions for damage under sections 1 and 2, while your car is with:

- the motor trade for service/repair/recovery; or
- any valet parking or similar commercial organisation for parking purposes.

Section 5 Windscreen and window glass

You're covered for damage to the windscreen or window glass including sun-roofs, ADAS recalibration costs and any resultant scratching of the bodywork. We may use a suitable replacement not supplied by the original manufacturer but it will be of a similar quality. Your premium may increase following a claim.

You'll need to pay an excess if the windscreen or window glass is replaced or repaired – your schedule shows how much you'll need to pay and also the additional excess if you choose a non-recommended repairer to complete the replacement – including recalibrations on cars fitted with ADAS.

We won't pay more than the market value of your car or repair or replace any windscreens or windows not made of glass.

Section 6 Guaranteed hire car (if shown on your schedule)

If this section is included on your schedule, we'll guarantee a basic hire car (a small hatchback under 1.2 litre), when:

- your car is with our recommended repairer service until it's fixed; or
- up to 21 days or until 4 days after payment has been given to you (if your car is a total loss), whichever comes first; and
- the loss or damage happened within the territorial limits of the subscription cover.

The hire car will either be provided via our Recommended Repairer Service or a hire company of our choice. You'll be insured for comprehensive cover and all your other terms and conditions will be the same. The use of the hire car is restricted to the territorial limits of the subscription cover.

You'll need to pay for any fuel, tolls or fines and you must return the hire car when we or the owner ask you to. If your insurance ends, you won't be insured to drive the hire car.

Section 7 Personal accident benefits (if shown on your schedule)

What's covered and what isn't

We'll pay the amount shown on your schedule if you, your partner or a named driver are injured in, getting in or out of your car and the injury alone within 12 months of the accident, causes:

- permanent and total loss of hearing in one or both ears;
- permanent and total loss of sight in one or both eyes; or
- permanent total disablement, resulting in an inability to do any sort of work for the remainder of their life.

We'll pay the injured person or their legal representative.

We won't pay:

- any more than the amount shown on your schedule during any one period of cover;
- for any injury or death resulting from suicide or attempted suicide;
- for any injuries if the driver of your car is convicted of an alcohol or drugs related motoring offence as a result of the accident;
- for any injuries if the driver of your car is proven, following a coroner's inquest or fatal accident inquiry, to be driving whilst unfit through alcohol or drugs, whether prescribed or otherwise at the time of the accident; or

If you don't, your insurance won't be valid and we won't pay any claims for loss or damage. If we need to make a payment under the Road Traffic Act, we reserve the right to recover any amounts from you or the driver of your car.

If we repair your car following an accident, we'll arrange for any resultant defects in any ADAS that have been fitted to your car to be repaired or recalibrated – but if we're not repairing your car, you must immediately arrange for the defect to be rectified, replaced or recalibrated.

If we agree to your change, it may result in an additional or return premium - we'll let you know of any changes to your monthly subscription amount.

If you don't tell us about any changes, we may not deal with any claim or reduce the payments we make. If the change means we can't insure you any longer, we'll give you notice of cancellation (please see [section 11.10 general conditions – our rights to cancel your insurance.](#))

We won't make any refund or pay for any claim where we are legally prevented from doing so, for example by a court order or sanction.

6. Other insurances

If any loss, damage or liability is covered by this insurance subscription cover and another insurance policy, we'll only pay our share. This condition doesn't apply to [section 7, personal accident benefits](#).

7. Compulsory insurance laws

If we have to make a payment under the law of any country, that we wouldn't normally have to make, you must repay us that amount.

8. Car sharing

It won't affect your insurance subscription cover if you accept money from passengers as part of a car sharing arrangement if:

- they're being given a lift for social or similar purposes;
- your car isn't built or adapted to carry more than eight passengers;
- this isn't part of a business of carrying passengers; and
- you don't make a profit from the money you get.

9. Voluntary use

Cover for volunteering is included as long as you don't accept payment or income other than reasonable expenses to cover running costs such as fuel.

10. Cancellation

Our rights to cancel your insurance subscription

We'll cancel your insurance subscription cover by giving you 7 days' notice if:

- we find any misrepresentation or any attempt to gain an advantage under this insurance subscription cover to which you're not entitled, please see [section 11.4 general conditions](#);
- we find you or anyone covered under this insurance subscription cover is involved in, or associated with insurance fraud and/or financial crime;
- you don't pay the monthly insurance subscription premium when due;
- you or anyone else covered by this insurance hasn't met the terms and conditions of this contract;
- your circumstances have changed and we can't insure you;
- you behave inappropriately for us to continue your insurance, e.g. if you harass or show abusive, threatening, racist or sexist or any other anti-social or discriminatory behaviour towards our staff.

Our cancellation notice will be emailed to you and will tell you the reason for cancellation and the date the insurance subscription cover will end. We'll also confirm whether a refund of any subscription amount is due to you.

You may not get a refund of any premium paid if you've made a claim or we identify misrepresentation, fraud or financial crime.

Your rights to cancel your insurance subscription

You can cancel any time before your start date and will not be charged.

At the start of your insurance subscription cover, you have 14 days to check you're happy with the cover you've bought. If you're not, just log onto your account and cancel your insurance subscription cover. If you do this within 14 days of either when we agreed the cover or when you receive your documents for the first month's subscription, whichever is the later, we'll refund any money you've paid less a charge for the time you've been on cover.

General conditions - continued

Although your insurance subscription cover will continue automatically every month, you won't get 14 days at the start of every month to change your mind – only in the first month you're with us.

You can cancel your insurance subscription cover at any other time by logging onto your account, at which point any refund due to you will be paid.

If your insurance requirements change, e.g. you change your car, and we're no longer able to insure you, you'll need to arrange cover elsewhere and review your insurance subscription cover with us.

11. Insurance premiums

All insurance subscription premiums include insurance premium tax where applicable. You may also have to pay other taxes or costs, for example if the premium is reimbursed by an employer it may be classed as a taxable benefit in kind. If so you'll need to pay this tax or cost yourself.

12. Flow subscription cover

Your insurance subscription cover will automatically continue each month unless you tell us otherwise.

We'll let you know how much your monthly premium will be and also tell you in advance when the price will change so you can review your cover.

Your price may change if:

- you make a claim
- the government change the rate of Insurance Premium Tax
- you change your insurance subscription
- inflation rates relating to cars change
- our view of claims cost changes

We reserve the right to stop your insurance subscription in line with our rights under [section 11.10 general conditions - cancellation](#).

13. Payment

Your insurance subscription premium will be due on the start date of the subscription period shown on your schedule and on the same date of each following month. If you joined on a day that doesn't exist in the next calendar month, your payment would be collected on the last day of the month.

If we don't receive a payment, we'll let you know by email and give you 7 days notice that we'll cancel your insurance subscription cover if your payment is not received. If we don't hear from you, your insurance subscription cover will be cancelled from the date given in the 7 day notice email.

If you make a claim during this 7 day period, you must pay your outstanding premium before we pay your claim.

Please make sure you keep your payment card details up to date at all times. You can update these by logging into your account.

14. The law that applies to your insurance subscription

The law of England and Wales applies to your contract with us.
