Appointing a legal representative

We have chosen a panel of legal firms to provide legal services to our customers.

There is nothing in our relationship with our panel legal firms which affects their ability to act in your best interests.

If your claim is accepted, a legal representative from our panel will be appointed to act for you.

You have the right to choose your own legal representative to represent you if it is necessary to take your claim to court or if a conflict of interest arises.

Where you choose to use your own legal representative:

- you must not agree to any legal expenses without Arc's prior written permission;
- your legal representative will be appointed to act for you in line with Arc's standard terms of appointment (you can ask us for a copy).

We will not pay for:

- legal expenses that are unreasonable;
- legal expenses incurred by your legal representative in avoidable correspondence or which are recoverable from a court, tribunal or other party;

- any shortfall in costs recovered from another party where the claim has been successful and costs have been recovered.

We can do the following:

- pay an amount to settle your claim or to pursue an action in the Small Claims Court;
- refuse to pay any further legal expenses if you don't accept any offer in a civil claim, which Arc and your legal representative agree is reasonable. In assessing whether an offer is reasonable the likelihood of achieving a higher award and whether the likely cost of continuing the claim is proportional will be considered;
- give your legal representative and/or Arc all information we have about you or your claim including any medical information;
- refuse to pay further legal expenses if your claim does not have a reasonable chance of success or the cost of legal expenses is no longer proportional to the expected benefit.

Personal injury claims

As part of any claim for personal injury your legal representative may need to arrange for you to be medically examined by a doctor. They may appoint a medical agency to arrange this examination. The medical agency will consider whether rehabilitation would assist you in recovering from your injury. We do not restrict your legal representative in their choice of medical agency and rehabilitation provider.
