

Annuity Mandate

Annuitant Name <<Annuitant Name>>

Annuity Number <<Annuity No>>

Please fill out your bank details below so that we can pay you your annuity directly to your bank account.

Wherever possible, we pay your annuity direct to your bank (or building society) account. This is because it provides added security and simplicity.

These payments are normally credited to your account on the day that they are due or, if that date is a weekend, the last working day before this. You don't have to wait for the payment to be clear as you would with cheque payments and they do not get lost or delayed in the post.

Please complete the instructions below and then return the form to this office in the accompanying reply envelope.
