

Our services explained

Important information

Welcome to Liverpool Victoria Financial Services Limited, we provide your insurance policy.

We are an insurance undertaking, which means we're the company that provides your insurance cover, and are responsible for paying any valid claim made on your policy.

It's up to you to decide whether our insurance policies are right for you. We have not provided you with any advice or recommendations as to whether these policies meet your specific insurance requirements. Our staff are paid a salary and may receive an annual bonus, but these are not directly influenced by your decision to purchase these policies.

It's important that you review your insurance requirements on a regular basis. If you have any doubts if these insurance policies are right for you please speak to a financial adviser.

Life Insurance

This policy meets the demands and needs of someone, who has financial dependents, or debt such as a loan or a mortgage, and wishes to insure their life against the risk of death, for a fixed period of time between 5 and 50 years, and doesn't need cover past age 90.

Life with Critical Illness Insurance

This policy meets the demands and needs of someone, who has financial dependents, or debt such as a loan or a mortgage, and wishes to insure their life against the risk of death or suffering a listed critical illness, for a fixed period of time between 5 and 50 years, and doesn't need cover past age 80.

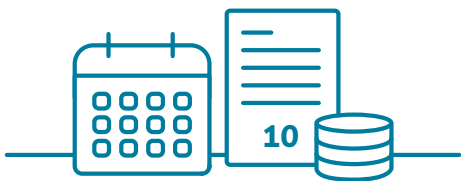

Children's critical illness cover – option to include this for a Life with Critical Illness policy at an additional cost

Where this option is offered, as part of our Life with Critical Illness Insurance policy this cover meets the demands and needs of someone, who has children under age 23, and wishes to provide additional cover for those children in the event that they suffer one of the listed children's critical illness between birth and 23 years of age.

If you are not offered this option when you apply, you can choose to add this at a later date, provided your policy has at least 5 years left to run.
