Territorial limits and European cover

Territorial limits

Except where we say otherwise your insurance applies in Great Britain, Northern Ireland, the Republic of Ireland, the Isle of Man and the Channel Islands. This includes while your car is being transported within and between them.

European cover

We'll provide the same level of cover you have in the territorial limits, while you are travelling in EU countries and any other country that follows EU directives. This includes when your car is being transported within and between them and is subject to your car:

- being registered and normally kept in Great Britain, Northern Ireland, the Isle of Man or the Channel Islands; and
- not kept abroad for more than 180 days during your period of cover.

Note: This cover is automatically provided, so there is no need to contact us before travelling to any of the countries listed on your certificate of motor insurance. Please ensure you take your certificate with you as proof of insurance.

Use in other countries

If you want to use your car in countries not listed on your certificate of motor insurance, if we agree and you pay any extra cost, we'll provide the same level of cover you have in the territorial limits, to apply:

- in the countries we've agreed, including when your car is being transported within and between them; and
- for the period agreed.

We'll send you a green card as proof of your insurance.

If your car is lost or damaged in any foreign country that we've agreed to give you cover for, you may be charged customs duty. If we cover the loss of or damage to your car we'll also refund you the customs duty.

Section 1 Damage to your car

What is covered:

If your car and/or its accessories (including when kept in your garage) are damaged by accident or vandalism, we will:

- pay for repairs to your car; or
- replace what is damaged; or
- pay the market value of your car at the time of the damage. When you accept this payment, your car becomes our property, unless we agree otherwise.

Misfuelling

If you accidentally fill your car with the wrong fuel, we'll pay to drain and flush your fuel tank. Any damage to your car engine caused directly by the wrong fuel will also be covered. Once we have details of the misfuelling, we'll agree with you how to arrange the repair. If you've already made arrangements to repair the damage, we will only consider payment if you provide receipts.

Uninsured driver promise

If you're hit by an uninsured driver or motorcyclist and the accident is not your fault, you won't lose your NCD or pay any excess. We'll need you to provide the registration number, make, model and colour of the other vehicle involved and also the driver's or motorcyclist's details. When you claim you may have to pay your excess but when we confirm that the uninsured driver was at fault we'll refund this to you.

Vandalism promise

If your car is damaged by vandalism, you won't lose your NCD. You'll need to report the incident to the police and provide us with the crime reference number and pay the excess.

Section 2 Fire and theft

- pay for repairs to your car; or
- replace what is lost or damaged; or
- pay the market value of your car at the time of the loss or damage. When you accept this payment, your car becomes our property, unless we agree otherwise.

What is not covered under sections 1 and 2

We won't pay for:

- loss or damage to your car by theft or attempted theft if:
 - your car has been left unlocked;
 - your car has been left with a window or roof open;
 - the engine has been left running when unattended;
 - your car doesn't have a working tracking device when unattended and your schedule confirms this is required;
 - the ignition key or other ignition device is left in, on or attached to or left in the immediate proximity of your car.
- damage to the ignition key or other ignition device caused by wear and tear;
- wear and tear, your car losing value, or for any repairs which improve your car beyond its condition before the loss or damage happened;
- mechanical, electrical, electronic or computer failures (including failure caused by hacks, viruses or malware), breakdowns or breakages;
- damage to tyres caused by braking, punctures, cuts or bursts;

- more than the manufacturer's latest list price in the United Kingdom (UK) of any part or accessory. If such a list price is not available the most we'll pay is the manufacturer's latest list price in the UK for an equivalent part or accessory;

- loss or damage to your car caused:
 - directly by pressure waves from aircraft and other aerial devices travelling at sonic or supersonic speeds;

How we settle your claim under sections 1 and 2

Ownership

If your car belongs to someone else, or is under a hire purchase or leasing agreement, we'll pay the legal owner.

Repairs

Once we have details of the accident, if the loss or damage is covered, we'll agree with you how to arrange the repairs to your car.

We may use parts or accessories, which aren't made or supplied by your car's manufacturer but are of similar type and quality to the parts and accessories we're replacing.

New car replacement

If you or your partner are the first and only registered keeper, within 12 months of buying your car from new and:

- the estimated cost of repairing the damage is more than 50% of the manufacturer's list price (including taxes and accessories) when the damage or loss happened; or
- it's stolen and not recovered,

we'll replace your car with a new one of the same make, model and specification. If one is not available in the UK, we'll pay you the price you paid for your car or the manufacturer's current list price (including taxes) whichever is less. Your car will then become our property.

In-car equipment

We'll provide unlimited cover for the loss or damage if the equipment was fitted as part of the standard specification of your car when first registered.

If the equipment was not part of the standard specification when first registered and is either permanently fitted or portable, we'll pay up to £1,000. If portable, the equipment must have been kept out of sight in the glove compartment or locked boot at the time of a theft claim.

Replacement of locks and keys

We'll pay for all the locks to be replaced if one or more is damaged.

If your ignition keys or other ignition devices are lost or stolen, we'll pay for their replacement and for all the locks to be replaced. This is provided they weren't left in, on or attached to or left in the immediate proximity of your car while it was unattended, and care has been taken to prevent their loss.

Child car seats

If your car is stolen or damaged in an accident or fire, we'll replace any child seat in your car with a new one of the same quality, even if there's no apparent damage.

Journey continuation

If your car can't be driven following a claim covered under sections 1 and 2 and you're more than 25 miles from where your journey started, we'll reimburse you up to £500 in total for any alternative transport and/or overnight accommodation that you arrange to continue your journey. We'll only pay these costs if you provide receipts.

Excesses that apply

If your schedule shows that you have an excess, you must pay that as the first part of any claim.

Section 3 Liability to other people

What is covered:

As a result of any accident involving your car or any other vehicle your certificate of motor insurance allows you to drive, we'll pay all sums you are legally responsible for:

- following death of or bodily injury to other people; and
- up to £20,000,000 for damage to their property.

Driving other cars

If your certificate of motor insurance says so, we'll insure the policyholder and/or the NCD holder to drive a private car or van in the UK, that you don't own, is not registered to you and not hired to you under a hire purchase or rental/leasing agreement as long as:

- you have the owner's permission to drive the car or van;
- you have the required licence to drive the car or van;
- the car or van is registered and normally kept in Great Britain, Northern Ireland, the Isle of Man or the Channel Islands;

- it's not a van which has been adapted to carry passengers;
- the car or van doesn't exceed 3.5 tonnes GVW (Gross Vehicle Weight);
- the car or van hasn't been seized or confiscated by or on behalf of any government or public authority;
- you're not covered by any other insurance to drive it; and
- you still have your car, it hasn't been stolen and it hasn't been damaged to an extent that it's a total loss.

Note: The cover is for third party only, so loss or damage to the car or van you're driving isn't covered.

Other people

In the same way as you're insured, we'll insure:

- any person you allow to drive or use your car, if this is allowed on your schedule and your certificate of motor insurance;
- any passenger travelling in or getting into or out of your car;
- the employer or business partner of any person who is driving or using your car for their business, as long as this is allowed on your schedule and your certificate of motor insurance; and
- the legal representative of any person who has died if they would have been entitled to protection under this section.

Legal costs

Following a claim under this policy, we'll pay your reasonable legal costs and expenses relating to:

- solicitors' fees for representation at a coroner's inquest, fatal accident inquiry or court of summary jurisdiction; and
- defence of any legal proceedings for manslaughter or causing death by dangerous or reckless driving.

In assessing whether legal costs and expenses are reasonable we consider:

- the level of legal expertise required, taking into account the nature of the case;
- the level of costs charged by the legal representative;
- whether legal representation for defence of a prosecution is likely to affect the outcome.

Emergency medical treatment

We'll pay for emergency medical treatment required under the Road Traffic Act, following an accident in your car. If this is the only payment we make, it won't affect your no claim discount (NCD).

What is not covered under section 3

We won't pay for:

- any death, injury, loss or damage caused directly or indirectly as a result of any deliberate act by you or any person driving your car;

- death of or bodily injury to any employee arising out of or in the course of their employment by any person who is covered by this section, unless they're a passenger in any vehicle for which insurance is provided by this section;
- legal responsibility which is covered by any other insurance;
- loss of or damage to any car which is covered by this section;
- loss of or damage to any trailer, caravan or vehicle (or their contents) whilst being towed by or attached to any car which is covered by this section;
- the loss of or damage to any property which belongs to or is in the care of any person claiming under this section;
- legal responsibility, loss or damage when your car is being used in the operational boundaries of any airport or airfield except when required under the Road Traffic Act;
- more than £20,000,000 for any one incident or series of incidents arising from one event that causes loss or damage to property. This amount is inclusive of all costs and expenses up to £5,000,000.

Section 4 Use by the motor trade, hotels and car parks

We'll give you the cover under section 1 Damage to your car and section 2 Fire and theft, if included on your schedule. We won't apply any driving and use restrictions or any excess while your car is with:

- a member of the motor trade for service/repair/recovery; or
- a hotel, restaurant, car park or similar commercial organisation for parking purposes.

Section 5 Windscreen and window glass

If shown on your schedule, we'll cover damage to the windscreen or window glass including sun-roofs and any resultant scratching of the bodywork. We may use a suitable replacement not supplied by the original manufacturer but which is of a similar quality. As long as there's been no other loss or damage, a claim under this section won't affect your no claim discount (NCD) but your premium may increase following a claim.

If your windscreen or window glass is replaced or repaired, an excess will apply, see your schedule.

We won't pay:

- more than the market value of your car; or
- to repair or replace any windscreens or windows not made of glass.

Section 6 Guaranteed hire car

We'll pay for a hire car only if this section is included on your schedule. If this option is included we'll show the size of car you'll be given in the event of a claim on your schedule. After loss or damage to your car and if we are managing your claim we'll supply and pay for a hire car:

- whilst your vehicle is with our Recommended Repairer Service until completion of the repairs; or

- for up to 21 days or until 4 days after payment has been issued to you, whichever is soonest, if your car is a total loss; and
- providing the loss or damage happened within the territorial limits of the policy.

The hire car will either be provided via our Recommended Repairer Service or a hire company of our choice.

We'll insure the hire car for comprehensive cover and all your other policy terms and conditions applicable to your car will apply, including drivers and their permitted use. The use of the hire car is restricted to the territorial limits of the policy. You'll pay for any fuel used as well as any tolls or fines you may incur.

You must return the hire car when we or the owner ask you to. If your insurance expires you are no longer insured to drive the hire car.

Basic hire car

This will usually be a small hatchback under 1.2 litre.

Similar size hire car

This will be a car of similar size to your car, up to a maximum of 2.0 litre and 7 seats, but may not be the same as your car in terms of its exact size, type, value or status.

Section 7 Personal accident benefits

What is covered:

We'll pay the amount shown on your schedule if you, your partner or a named driver of your car are injured in or getting into or out of your car, and within 12 months of the accident, this injury alone results in:

- death;
- permanent loss of any limb above the wrist or ankle;
- permanent and total loss of use of any limb above the wrist or ankle;
- permanent and total loss of hearing in one or both ears;
- permanent and total loss of sight in one or both eyes; or
- permanent total disablement, resulting in an inability to do any sort of work for the remainder of their life.

We'll pay the injured person or their legal representative.

We won't pay for:

- more than the amount shown on your schedule during any one period of cover;
- any injury or death resulting from suicide or attempted suicide;
- any injuries if the driver of your car is convicted of an alcohol or drugs related motoring offence as a result of the accident;
- any injuries if the driver of your car is proven, following a coroner's inquest or fatal accident inquiry, to be driving whilst unfit through alcohol or drugs, whether prescribed or otherwise at the time of the accident; or
- anyone failing to wear a seat belt when required by law.

Section 8 Medical expenses and physical assault benefits

Medical expenses

We'll pay up to £250 for you or your passengers for any medical expenses resulting from an accident while travelling in your car. This is in addition to the compulsory emergency medical treatment fee under section 3, liability to other people.

Physical assault benefits

Road rage

We'll pay £500 if you or your partner are physically assaulted as a result of your car being in an accident.

We'll pay the injured person or their legal representative.

We won't pay when the incident:

- is caused by a relative or a person known to you or your partner;
- is not reported to the police as soon as possible; or
- is caused or contributed to by anything said or done by you, your partner, or by a passenger in your car after the accident.

Aggravated car theft

We'll pay £500 if you or your partner are physically assaulted as a result of your car being subjected to a theft or attempted theft.

We'll pay the injured person or their legal representative.

We won't pay when the incident:

- is caused by a relative or a person known to you or your partner; or
- is not reported to the police as soon as possible.

Section 9 Personal belongings

What is covered:

We'll pay up to £300 for personal belongings in your car or up to £1,000 in your motorhome if lost or damaged due to accident, fire, theft or attempted theft.

We won't pay for:

- the theft or attempted theft of personal belongings if your car has been left unlocked or with a window or roof open or with the ignition key/device in, on or attached to or left in the immediate proximity of your car;
- the theft of personal belongings unless they're kept out of sight in the glove compartment or the locked boot of your car;
- money, stamps, tickets, documents or securities;
- goods, tools, samples or equipment carried in connection with any trade or business;
- in-car equipment, see 'How we settle your claim under sections 1 and 2';
- property covered under any other insurance; or
- car accessories, see 'How we settle your claim under sections 1 and 2'.

Section 10 No claim discount

If you have a no claim discount (NCD), we'll give you a discount in line with our NCD scale which is current at the time of taking out the policy. The discount won't apply to our administration costs or to any additional options you've chosen.

Your NCD will not be affected if we only pay for:

- emergency medical treatment charges (section 3);
- damage to the windscreen or window glass (section 5); or
- a claim under breakdown cover; or
- a claim under motor legal expenses.

If more than one car is insured, the NCD is earned separately for each car in the NCD holder's name. A named driver who is not the NCD holder doesn't earn their own NCD.

If a claim is still outstanding at the renewal date, we may issue a renewal quotation with the NCD reduced. Once the claim has been settled and we've agreed that you're not at fault and all outstanding monies repaid, your NCD will be restored and we'll refund any extra premium you may have paid. However, whilst your NCD will be restored, your premium may still increase following a claim even if you were not at fault.

If a claim is made against your policy and your NCD isn't protected, your NCD will reduce as follows:

NCD (years) at the start of your current period of cover	NCD (years) at the next renewal		
	1 claim	2 claims	3 claims
0	0	0	0
1	0	0	0
2	0	0	0
3	1	0	0
4	2	0	0
5 to 8	3	1	0
9	4	2	0

Protected NCD

If you're eligible and pay the required extra premium, you may choose to protect your NCD. If chosen, this will be shown on your schedule.

If your NCD is shown as protected on your schedule, it won't be reduced irrespective of the number of accidents/claims made. However, your premium may still increase following an accident/claim even if you were not at fault.

If we've offered the option to protect your NCD and we're then subsequently advised of a claim, we may issue a revised quote and remove the option.

Proof of your NCD entitlement

You should keep your proof of NCD from your previous insurer as we may ask you to provide this at any time or in the event of a claim.

The proof should be in your name and be less than 2 years old, issued by your previous UK insurer and not being used on another car. We may also check any NCD you've told us

you're entitled to. For further information, refer to section 12.3, general conditions. If you require proof of your NCD earned whilst insured with us, we'll issue it to the NCD holder, provided you don't owe us any money.

Section 11 General exceptions

These general exceptions apply to the whole contract and are in addition to the exclusions shown under 'We won't pay for' in each section of this document of car insurance.

1. Change of circumstances – notification and acceptance

This insurance won't apply unless:

- you've told us about any change as listed in section 12.2, general conditions; and

- for racing, pacemaking, speed trials, track days or for competing in National British A or International rallies;
- for any use in connection with the motor trade other than by a member of the motor trade for the purposes of overhaul, upkeep or repair;
- when towing for payment/reward a caravan, trailer or mechanically disabled vehicle;
- for towing more than one caravan, trailer or mechanically disabled vehicle at the same time.

3. Contractual liability

Section 12 General conditions

We'll provide cover under this policy if you and anyone else covered by this insurance meet all the terms and conditions in this document of car insurance and those shown on your schedule.

1. Care of your car

You or any person in charge of your car must protect your car from damage or loss.

Tracking devices must always be on and working when your car is left unattended.

Your schedule shows any security requirements specific to your policy.

If these requirements aren't met, this insurance won't be valid and we won't pay a claim.

You must always take the ignition key or device out of the ignition and remove them completely when your car is left unattended. You should lock all doors and close all windows and sun-roofs.

You should ensure your car is kept in a roadworthy condition and you must have a valid Department for Transport Test Certificate (MOT) if one is needed by law.

You must give us access to examine your car and if asked, send us evidence of a valid MOT and/or evidence your car was regularly maintained and kept in a roadworthy condition.

2. Your responsibility to provide correct information

When applying for, amending or renewing this insurance you must answer all questions truthfully and to the best of your knowledge, including questions that apply to any other person covered by this insurance.

Your schedule shows the answers you've provided and you must let us know if any of the details are incorrect as soon as possible after receiving your documents. At renewal, you must also let us know if any of the information has changed for you and/or anyone insured under your policy, including any claims or motoring convictions/endorsements.

Changes you need to tell us about during the period of cover

You must tell us as soon as possible if:

- you change your car;
- the main driver has changed or you want to add an additional driver;
- you change the registered keeper;
- you change the way you use your car, e.g. from social domestic and pleasure to business use;
- you move house or change the address of where you keep your car;
- changes are made to the manufacturers standard specification, which improve the value, appearance, performance or handling of your car;
- your driving licence has changed, such as it is now withdrawn;

- you change occupation, including part time work.

If you make any of the changes above, you won't be covered unless we've agreed and issued a new schedule and where appropriate issued you a new certificate of motor insurance. This means that if you don't tell us, we may reject any claim or reduce the payments we make.

When we agree to your change, it may result in an additional or return premium and may be subject to an administration charge. Your schedule gives details of charges that may apply.

If the changes you make mean we can no longer insure you, we'll give you notice of cancellation. Please see section 12.9, general conditions, our rights to cancel your insurance.

Documents and information you may need to give us

To help us validate your details, you may be asked to send us documents, information or allow us to have access to databases.

Examples of documents or information we may require include your driving licence, your driving licence number, your vehicle registration document, proof of NCD, proof of your address, and a copy of your utility bill.

Failure to provide the requested documents, information or authority to access any requested databases may result in your policy being cancelled. If a refund is paid, we will deduct our charge for the cancellation and for the time you've been on cover.

3. Misrepresentation and fraud

If you or anyone representing you:

- provides us with misleading or incorrect information to any of the questions asked when applying for, amending or renewing this insurance;
- deliberately misleads us to obtain cover, gain a cheaper premium or more favourable terms;
- provides us with false documents;
- makes a fraudulent payment by bank account and/or card;

we may:

- amend your policy to record the correct information, apply any relevant policy terms and conditions and collect any additional premium due including any administration charges. If you pay by instalments, you will be informed if this additional premium cannot be added to your current instalment plan and must be paid in full;
- reject a claim or reduce the amount of payment we make; or
- cancel or void your policy (treat it as if it never existed), including all other policies which you have with us, and apply a cancellation charge.

Where fraud is identified, we'll also:

- not return any premium paid by you;
- recover from you any costs we've incurred; and
- pass details to fraud prevention and law enforcement agencies who may access and use this information.

3.1 Claims fraud

If you or anyone representing you:

- makes a claim or part of any claim that is fraudulent, false or exaggerated, we may:
 - reject the claim or reduce the amount of payment we make;
 - cancel your policy from the date of the fraudulent act and not return any payment paid;
 - recover from you any costs we've incurred relating to the fraudulent claim and any further claims notified after the date of the fraudulent act; and
 - pass details to fraud prevention and law enforcement agencies who may access and use this information. Other insurers may also access this information.

4. Accident and claims procedure

You or any other person driving under this insurance must:

- give us full details of any accident as soon as possible;
- inform the police as soon as possible if your car or its contents are stolen or vandalised and provide us with the crime reference number;
- immediately send us all communications from other people involved without replying;
- immediately tell us about and send to us, any notice of intended prosecution, inquest, fatal inquiry or any writ, summons or process without replying; and
- co-operate with us and provide details of your claim that we may request to help us validate and process your claim.

You must not, without our consent:

- negotiate or admit responsibility; or
- make any offer, promise or payment.

We're entitled to:

- have total control to conduct, defend and settle any claim; and
- take proceedings, in your name or in the name of any other person claiming under this insurance, at our own expense and for our own benefit to recover any payment we have made.

5. Other insurances

If any loss, damage or liability is covered by this insurance and is also covered by any other insurance, we'll only pay our share. This condition doesn't apply to section 7, personal accident benefits.

6. Compulsory insurance laws

If under the law of any country we must make a payment which we wouldn't otherwise have to make, you must repay that amount to us.

7. Car sharing

Accepting payments from passengers as part of a car sharing arrangement won't affect your insurance cover, if:

- they're being given a lift for social or similar purposes;
- your car isn't built or adapted to carry more than eight passengers;
- this is not as part of a business of carrying passengers; and
- any money received doesn't produce a profit.

8. Voluntary use

Social, domestic and pleasure use includes use of your car for voluntary purposes. No payment or income should be received other than reasonable expenses to cover running costs such as fuel.

9. Cancellation

Our rights to cancel your insurance

We'll cancel your insurance by giving you 7 days' notice if:

- you don't pay the premium or an instalment when we have notified you that the outstanding amount is required by a specific date;
- you or anyone else covered by this insurance hasn't met the terms and conditions in this document of car insurance including those shown on your schedule;
- a change in your circumstances means that we can no longer provide cover.

We have the right to cancel this policy and any other policies you hold with us by giving you 7 days' notice if:

- we reasonably suspect involvement in or association with fraud and/or financial crime by you, anyone named on your policy or anyone in your household;
- we identify misrepresentation or fraud or any attempt to gain an advantage under this insurance to which you're not entitled, see general conditions 12.3;
- you behave in a manner that makes it inappropriate for us to continue your insurance, e.g. if you harass or show abusive or threatening behaviour towards our staff.

Our cancellation notice will confirm the reason for cancellation and be posted and/or emailed to you.

The insurance will end immediately the 7 days' notice runs out. But if you've just taken out the policy or renewed with us and the premium is unpaid, we'll cancel your insurance from the start/renewal date. We'll refund the balance of your premium that applies to the remaining period of cover unless fraud has been identified.

If a refund is paid, a cancellation charge will be deducted from the refund.

If a claim has been made, we'll cancel your cover but may not refund any premium. If you're paying by instalments, you must still pay us the balance of the full annual premium.

Your rights to cancel your insurance

Up to 14 days after you receive your documents

At the start of your insurance, when you receive your documents, you have 14 days to check you're happy with the insurance cover you've bought. If the cover doesn't meet your needs, you can cancel your insurance by telling us. If you do this within 14 days of receiving your documents, we'll refund any money you've paid less a charge for the cover

you've had and a cancellation charge will apply for setting up the policy. A charge won't be made if you cancel before the cover start date.

More than 14 days after you receive your documents

After the initial 14 days, if you've not made a claim, we'll refund any money you've paid, less a charge for the cover you've had and a cancellation charge will apply. If you've made a claim no refund will be paid. If you're paying by instalments, you must still pay us the balance of the full annual premium.

Please refer to your schedule or policy summary for details of the charges that apply.

Cancellation at renewal

We'll send you a renewal invitation 3 weeks before your renewal date. This will show your renewal premium and any changes to your insurance policy. If you haven't chosen our continuous payment option, you must contact us before your renewal date to continue with your insurance policy. If you've chosen our continuous payment option, we'll automatically renew your insurance policy before it expires. As part of our renewal process your debit or credit card provider will tell us your new card number if it has changed. If you don't want to renew or your credit card provider has changed please contact us before your renewal date.

If you renew, whether or not under the continuous payment option, but then decide to cancel, provided you tell us before your renewal date, we'll refund what you've paid in full. If you cancel after your renewal date has passed you will be charged in line with the cancellation rules explained on your schedule and policy summary.

If you are due a refund, we'll send this to you within 7 days of you telling us that you'd like to cancel.

Renewal of your policy

We reserve the right not to invite the renewal of your policy.

Insurance premiums

All premiums include insurance premium tax where applicable. You may also have to pay other taxes or costs, for example if the premium is reimbursed by an employer it may be classed as a taxable benefit in kind. If so you'll need to pay this tax or cost yourself.

10. Premium payment by instalments

- if you agree to pay your premium by monthly direct debit or a similar arrangement you must pay any deposit we ask for and make sure your instalment payments are kept up to date;
- if you make a claim, we may deduct any outstanding amounts due to us before paying the claim.

11. Administration charges

We'll apply a charge to cover our administration costs in certain circumstances. Please refer to your schedule for details of the charges.

This charge will be added to any premium due or deducted from any refund due in respect of the amendment to your insurance.

How we use your information:

Data Protection Act 1998 and Insurance Administration

This information explains how we may use the details of everybody named on the policy and tells you about the systems we use that allow us to detect and prevent fraudulent applications and claims. The savings that we make help us to keep premiums down. How we may use your personal data is controlled by the requirements of the Data Protection Act 1998. Liverpool Victoria Insurance Company Limited is registered for the purpose of processing personal data. Information provided will be used to offer you a quote and for the administration of your policies including renewal. It may also be used for research and analysis.

We may obtain information from or exchange it with other organisations to assist with the validation of your details and assess insurance risk. We may also ask you to provide evidence. Information you provide, we obtain or exchange, may be held on computer, paper file or other format, whether or not you purchase a policy.

We may use credit reference and fraud prevention agencies to help us make decisions. What we do and how both we and credit reference and fraud prevention agencies will use your information is detailed in the section called:

Credit Search and Identity check

By confirming your agreement to proceed you are accepting that we may use your information in this way.

The DVLA: If you give us your driving licence number when obtaining a motor insurance quote, it may be submitted to the DVLA MyLicence service in order to verify the status of your (or any named driver's) licence and entitlement along with any relevant restriction information, endorsements and/or conviction data.

We'll hold this information for a reasonable time to ensure we have a clear and complete history of insurance enquiries, applications, policy records and transactions.

We and our agents (e.g. service providers that we have agreements with both within and outside the European Economic Area) may use this information (some of which may be sensitive data) to process and administer your insurance. It may also be used or disclosed to regulators to monitor and enforce our compliance with any regulation.

Occasionally, your personal information may be disclosed to selected third parties who are helping us improve our service.

If you give us your credit card, debit card or bank details we may use it to automatically renew your insurance. We'll only do this where you say we can.

We use a secure process for all card payments. When a payment is processed we receive a unique transaction code and an extract of your card number from our payment processor, which we store as a record of the transaction.

If your details have been obtained through one of our affinity associations we may pass some of your information, including policy details and ongoing information, to that affinity organisation for membership, business analysis and other relevant purposes. If you move to a new insurer we may confirm certain details about your insurance to them. We'll only do this if we're sure it's a genuine request.

If we receive a request for policy information by an individual other than you we'll check that you have given permission to do this. We won't use sensitive personal data for marketing purposes.

Credit search

We use information obtained from credit reference agencies who will check the details supplied against any database, public or otherwise. This helps us to confirm your identity, allows us to give you a quote and decide which payment options we can offer you, for example, paying monthly. You'll see a record of this credit search if you request a credit report. Other organisations who may conduct credit searches will be able to see it. If we conduct an identity check a record of this will be retained by the credit reference agencies and may be provided to other organisations to assist with verification and identification purposes. You'll see a record of this identity check if you request a credit report.

These searches won't affect your credit record or credit rating in any way. You can request your credit report from any credit reference agency.

If you pay monthly:

We will give details of your account to credit reference agencies, including names and parties to the account and how you manage it.

If you do not pay on time when requested, we will tell credit reference agencies.

We may make periodic searches of our own records and those with credit reference agencies to manage your account with us, including deciding whether to make credit available, or to continue or extend existing credit. We may also use fraud prevention agencies to prevent or detect fraud.

If you do not make payments that you owe us, we will take steps to recover that debt.

Motor Insurance Database

We'll add details about your insurance policy to the Motor Insurance Database ('MID') which is managed by the Motor Insurers' Bureau ('MIB'). The MID and the data stored on it may be used by the Police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- electronic licensing
- continuous insurance enforcement
- law enforcement (prevention, detection, apprehension and/or prosecution of offenders)
- the provisions of government services and/or other services aimed at reducing uninsured driving.

If you're involved in a road traffic accident (either in the UK or abroad), insurers and/or the MIB may search the MID to obtain relevant information.

Other persons (including their appointed representatives) pursuing a claim in respect of a road traffic accident (including foreign citizens) may also obtain relevant information held on the MID.

It's vital that the MID holds your correct registration number. If not you risk the Police seizing your car. You can check that your registration number is shown on the MID at www.askmid.com

Policy discounts

We provide discounts (e.g. multi-product discount) in certain circumstances where there is more than one insurance held with us at the same address and we may validate any discounts against these insurances. This could result in anyone else living at your address who has an insurance with us, being made aware that someone else at your address, including you, has insurance with us.

Previous claims and accidents

If asked, you must tell us about any claim or accident (even if it wasn't your fault).

When you tell us we'll share this information and your personal details to various databases such as the Claims and Underwriting Exchange. We may search these databases:

- when you apply for insurance;
- if you have a claim;
- at renewal.

We'll do this to validate your claims history or that of any other person or property likely to be involved in the insurance or claim.

Fraud prevention and detection

We'll check your information against a range of registers and anti-fraud databases for completeness and accuracy. We may also share your information with law enforcement agencies, other organisations and public bodies.

If we find that false or inaccurate information has been given to us, or we suspect fraud, we'll take appropriate action. If fraud is identified, details will be passed to fraud prevention agencies. Law enforcement agencies may access and use this information.

We and other organisations, including those from other countries, may also access and use this information to prevent fraud and money laundering, for example, when:

- checking details on applications for credit and credit related or other facilities;
- managing credit and credit related accounts or facilities;
- recovering debt;
- checking details on proposals and claims for all types of insurance;
- checking details of job applicants and employees.

Please contact us at GFC, LV=, County Gates, Bournemouth BH1 2NF if you want to receive details of the registers and fraud prevention agencies.

Telling you about other products and services

Unless you've indicated otherwise, your information may be used by us and other carefully selected organisations to keep you informed of other products and services that may be of interest to you. You may be contacted by post, telephone or other appropriate means. If you'd rather not receive such information please write to CSA Department, LV=, County Gates, Bournemouth BH1 2NF.

Access to the personal information we hold about you

You can ask for a copy of the personal information we hold about you by writing to the CCA Department, LV=, County Gates, Bournemouth BH1 2NF.
