6. Cancellation

Our rights to cancel your policy

We'll cancel your insurance by giving you 7 days' notice if:

- we identify misrepresentation or any attempt to gain an advantage under this insurance to which you're not entitled, see general conditions 3;
- we identify your involvement in, or association with insurance fraud and/or financial crime;
- you don't pay the premium or an instalment when we have notified you that the outstanding amount is required by a specific date;
- you or anyone else covered by this insurance hasn't met the terms and conditions in this document of home plus insurance including those shown on your schedule;
- a change in your circumstances means that we can no longer provide cover;
- you behave in a manner that makes it inappropriate for us to continue your insurance, e.g. if you harass or show abusive or threatening behaviour towards our staff.

Our cancellation notice will confirm the reason for cancellation and be posted and/or emailed to you.

The insurance will end immediately when stated on the cancellation notice. But if you've just taken out the policy or renewed with us and the premium is unpaid, we'll cancel your insurance from the start/renewal date. We'll refund the balance of your premium that applies to the remaining period of cover.

If a refund is paid, a cancellation charge will be deducted from the refund.

If a claim has been made or misrepresentation, fraud or financial crime identified, we'll cancel your cover but may not refund any premium. If you're paying by instalments, you must still pay us the balance of the full annual premium.

Your rights to cancel your insurance

Up to 14 days after you receive your documents

At the start of your insurance, when you receive your documents, you have 14 days to check you're happy with the insurance cover you've bought. If the cover doesn't meet your needs, you can cancel your insurance by telling us. If you do this within 14 days of receiving your documents, we'll refund any money you've paid less a charge for the cover you've had and a cancellation charge will apply for setting up the policy. A charge won't be made if you cancel before the cover start date.

More than 14 days after you receive your documents

After the initial 14 days, if you've not made a claim, we'll refund any money you've paid, less a charge for the cover you've had and a cancellation fee will apply. If you've made a claim no refund will be paid. If you're paying by instalments, you must still pay us the balance of the full annual premium.

Please refer to your schedule for details of the charges that apply.

Cancellation at renewal

We'll send you a renewal invitation 3 weeks before your renewal date. This will show your renewal premium and any changes to your insurance policy. If you haven't chosen our continuous payment option, you must contact us before your renewal date to continue with your insurance policy. If you've chosen our continuous payment option, we'll automatically renew your insurance policy before it expires. As part of our renewal process your debit or credit card provider will tell us your new card number if it has changed. If you don't want to renew or your credit card provider has changed please contact us before your renewal date.

If you renew, whether or not under the continuous payment option, but then decide to cancel, provided you tell us before your renewal date, we'll refund what you've paid in full. If you cancel after your renewal date has passed you will be charged in line with the cancellation rules explained on your schedule.

If you're due a refund, we'll send this to you within 7 days of you telling us that you'd like to cancel.

Renewal of your policy

We reserve the right not to invite the renewal of your policy.

Insurance premiums

All premiums include insurance premium tax where applicable. You may also have to pay other taxes or costs, for example if the premium is reimbursed by an employer it may be classed as a taxable benefit in kind. If so you'll need to pay this tax or cost yourself.

7. Premium payment by instalments

- if you agree to pay your premium by monthly direct debit or a similar arrangement you must pay any deposit we ask for and make sure your instalment payments are kept up to date;
- if you make a claim, we may deduct any outstanding amounts due to us before paying the claim.

8. Joint policyholder permissions

- Joint policyholders can make changes to policies, including cancellation;
- If the policy is being paid by instalments, any change resulting in an increased premium will need authority from the policyholder so the payment can be added to the credit agreement;
- If the policyholders circumstances change, a new policy may be offered in the joint policyholders name.

9. Administration charges

We'll apply a charge to cover our administration costs in certain circumstances. Please refer to your schedule for details of the charges.

This charge will be added to any premium due or deducted from any refund due in respect of the amendment to your insurance.

10. The law that applies to your insurance

The law of England and Wales applies to your contract with us.

Settling claims - buildings

This section describes how we deal with your claim.

If the loss or damage is covered by this insurance we'll agree with you whether to:

- arrange for repair or replacement using one of our suppliers; or
- pay the cost of repair; or
- make a cash payment.

We'll pay the full cost of any repair or replacement, including any architects' and surveyors' fees, demolition, removal of debris or local authority costs we have agreed to pay. Repairs completed by our approved suppliers as a result of a claim covered by this insurance are guaranteed for 12 months.

If the damage to the buildings is not rebuilt or repaired, or the buildings were not in a good condition when damaged, we'll pay the lower of:

- the cost of repair or replacement less an amount for wear and tear; or
- the difference between the value on the open market immediately before the damage and its value after the damage.

Cash payments

If we can offer a repair or replacement through one of our suppliers and you choose not to have the item repaired or replaced or you wish to use your own supplier, we will not pay more than the amount we would have paid our supplier.

If we're unable to offer repair or an equivalent replacement is not available, we'll pay the nearest cash equivalent or current market value of the item at the time of the loss or damage.

We will not accept any future claim for the same incident if the cash provided was not used to repair the damage or replace the damaged item.

Excesses that apply

If your schedule shows that you have to pay an excess, this is the amount you must pay as the first part of any claim.

The limit of cover will be applied after payment of any excess.

Matching sets and suites

If you make a claim for damage to a bathroom suite or kitchen, but we can't repair or replace the damaged items as not available, we'll also make a contribution in cash of 50% towards the cost of replacing any undamaged items which are part of the same set or suite.

If you make a claim for damage to fitted or matching flooring, but we can't replace or repair the damaged items as not available, we'll also make a contribution in cash of 50% towards the cost of replacing the undamaged floor in the adjoining room.

If the damaged flooring is to the hall, stairs, or landing, we'll replace the entire hall, stairs and landing. We won't contribute towards replacing any undamaged flooring in adjoining rooms.

We won't pay the cost of replacing or altering any other undamaged items solely because they form part of a set or suite, this includes groups or collections of items of the same design, nature or colour.

Your policy does not cover claims arising from wear and tear or gradual deterioration. It's your responsibility to keep your home in good condition. If you don't do this, we may reduce the amount we'll pay in the event of a claim, or the claim may not be covered. Please read the General exceptions section for further details.

Settling claims – contents, personal belongings and bicycles

This section describes how we deal with your claim.

If the loss or damage is covered by this insurance we'll agree with you whether to:

- arrange for repair or replacement using one of our suppliers; or
- pay the cost of repair or replacement; or
- make a cash payment.

We'll make a deduction to reflect wear and tear for any items that are;

- not in good condition; or
- not replaced.

You cannot claim for new items if repair is economically possible or if you replace the item with a second hand one. Repairs completed by our approved suppliers as a result of a claim covered by this insurance, are guaranteed for 12 months.

Cash payments

If we can offer a repair or replacement through one of our suppliers and you choose not to have the item repaired or replaced or you wish to use your own supplier, we'll not pay more than the amount we would have paid our supplier.

If we're unable to offer repair or an equivalent replacement is not available, we'll pay the nearest cash equivalent or current market value of the item at the time of the loss or damage.

We will not accept any future claim for the same incident if the cash provided was not used to repair or replace the damaged item.

Excesses that apply

If your schedule shows that you have to pay an excess, this is the amount you must pay as the first part of any claim.

The limit of cover will be applied after payment of any excess.

Your policy does not cover claims arising from wear and tear or gradual deterioration. It's your responsibility to keep your contents, personal belongings and bicycles in good condition. If you don't do this, we may reduce the amount we'll pay in the event of a claim, or the claim may not be covered.

Please read the General conditions and General exceptions sections of this booklet for further details.

Proof of value and ownership

In the event of a claim for any valuable or jewellery item shown on your schedule, you will need to provide proof of its value and ownership of that item. This evidence must be in the form of a professional valuation or purchase receipt. Failure to provide this evidence could affect the outcome of the claim.

Limit of cover

The limit of cover shown on your schedule must represent the full replacement value of all your contents as new. This contents limit must include all your contents within your home, your valuables, entertainment items, personal belongings taken away from your home and your bicycles.

You must tell us if the value of your contents increase beyond the limit of contents cover stated on your schedule. Please ensure that the limit of cover for your personal belongings is adequate.

Under insurance

If the limit of cover is less than the full replacement cost of the contents of your home, we'll reduce the amount claimed in proportion with the under insurance. For example, if the limit of your contents cover is equal to 75% of the amount needed to replace all the contents, we'll pay only 75% of your claim.

Matching sets and suites

If you make a claim for damage to an item that forms part of a matching set or suite, but we can't repair or replace the damaged items as not available, we'll also make a contribution in cash of 50% towards the cost of replacing any undamaged items which are part of the same set or suite.

If you make a claim for a damaged carpet, but we can't replace or repair the damaged items as not available, we'll also make a contribution in cash of 50% towards the cost of replacing the undamaged carpet in the adjoining room.

If the damaged carpet is to the hall, stairs, or landing, we'll replace the entire hall, stairs and landing. We won't contribute towards replacing any undamaged carpet in adjoining rooms.

Home emergency (optional cover)

This section only applies if selected by you and is shown as covered on your schedule.

Home emergency insurance is designed to complement your home insurance and provide benefits and services, which are not normally available under home insurance. However, please remember this is not a home maintenance contract and it is not intended to cover routine home maintenance which you should carry out or pay for (such as servicing of your central heating system) and the replacement of parts that tend to wear out over a period of time.

The insurance covers the cost of emergency assistance as a result of an emergency at your home, which occurs within the period of insurance stated on your schedule and as long as you keep to the policy conditions.

How to claim

Contact our home emergency claim number on 0800 028 5407 as soon as you discover the emergency and please have your home insurance policy number available when you call. The service is available 24 hours a day, 365 days a year.

If an emergency could result in serious damage or danger you should immediately report it to the gas, electricity or water company, the local authority or the emergency services.

If you smell gas or discover a leak, you should call National Grid on 0800 111 999.

General conditions – home emergency

(see also the General conditions which apply to the whole policy)

You must:

- contact us on 0800 028 5407 as soon as you discover the emergency;
- take all reasonable steps to prevent loss, damage or breakdown and to keep your home, its systems and appliances in good working order;
- ensure any necessary permanent repair is completed as soon as possible following a temporary repair carried out by the approved repairer in order to prevent a future emergency. If you do not do this, you may not be fully covered;
- provide us with evidence such as a service record, receipt or invoice if we require you to confirm that your boiler has been serviced within the last three years. If you're unable to supply this and the approved repairer determines that the boiler has not been serviced within the last three years, we will not make any payment if your boiler is deemed beyond economical repair.

Replacement parts

While we'll do our utmost to source replacement parts, there may be times when parts are delayed because of circumstances beyond our control. In these cases we may not be able to avoid delays in repair.

Our approved repairer may use parts that do not exactly match the originals that have failed in order to complete a temporary repair. If you request parts that are of a superior specification to the original ones fitted, you will be responsible to pay for the increased costs involved.

There may also be occasions where parts are no longer readily available. For boiler claims, this may mean that your boiler will be declared beyond economical repair. In these situations we'll ensure your home is safe and, if required, the approved repairer will provide you with a quotation for a suitable replacement. You're responsible to pay the costs to replace any system or appliance.

Contribution towards a new boiler

In the event that your boiler is declared beyond economical repair we'll advise you to replace it and will contribute £500 towards the cost of the new boiler, providing the current boiler has been serviced within the last 3 years. You're responsible for arranging and paying the cost of the replacement.

Cover under section 1 Heating will not be in force until your current boiler has been replaced.

Claims that are not covered

If the cost of emergency assistance exceeds the limit of cover, or if a claim is not covered under this section, we'll still offer you assistance, but you will be responsible for paying the approved repairer's charges. However, you may be able to claim these costs back if the damage is also covered under the buildings or contents sections of this document of insurance. We'll tell you if you need to make a home insurance claim and help you through this process.

Please note that our approved repairer may be unable to restore an essential service because of wear and tear, lack of servicing or maintenance or faulty workmanship. This is

common, for example, in main heating systems where the build-up of sludge and corrosion can cause failure.

Repairers appointed by you (Channel Islands, Isle of Man, Scilly Isles, Scottish Islands only). Where possible we'll try to appoint one of our approved repairers to provide emergency assistance as soon as we can. However, if it's easier for you to appoint your own repairer, we'll allow you to do this providing you have called us first to agree that your claim is covered. We'll pay you the cost of obtaining emergency assistance up to a maximum of £500 (including call out, parts, labour and VAT) for any one emergency.

Where you choose your own repairer, the contract for services will be between you and your chosen repairer. In these cases, we can't be held responsible for any shortfall in the service they provide.

Cancellation of cover

We have the right not to pay your claim and or cancel your home emergency cover if you have used the service excessively or unreasonably. For example if you have not followed the advice of the approved repairer or ensured the completion of any necessary permanent repair or home maintenance following a temporary repair carried out by the approved repairer. If we cancel your cover, we'll write to you explaining our reasons why and give you 7 days' notice before this section of cover is removed.

We'll notify you within your renewal quote if we decide to remove this section of cover from the renewal of your policy.
